# Yesterday serves as the foundation for our movement,

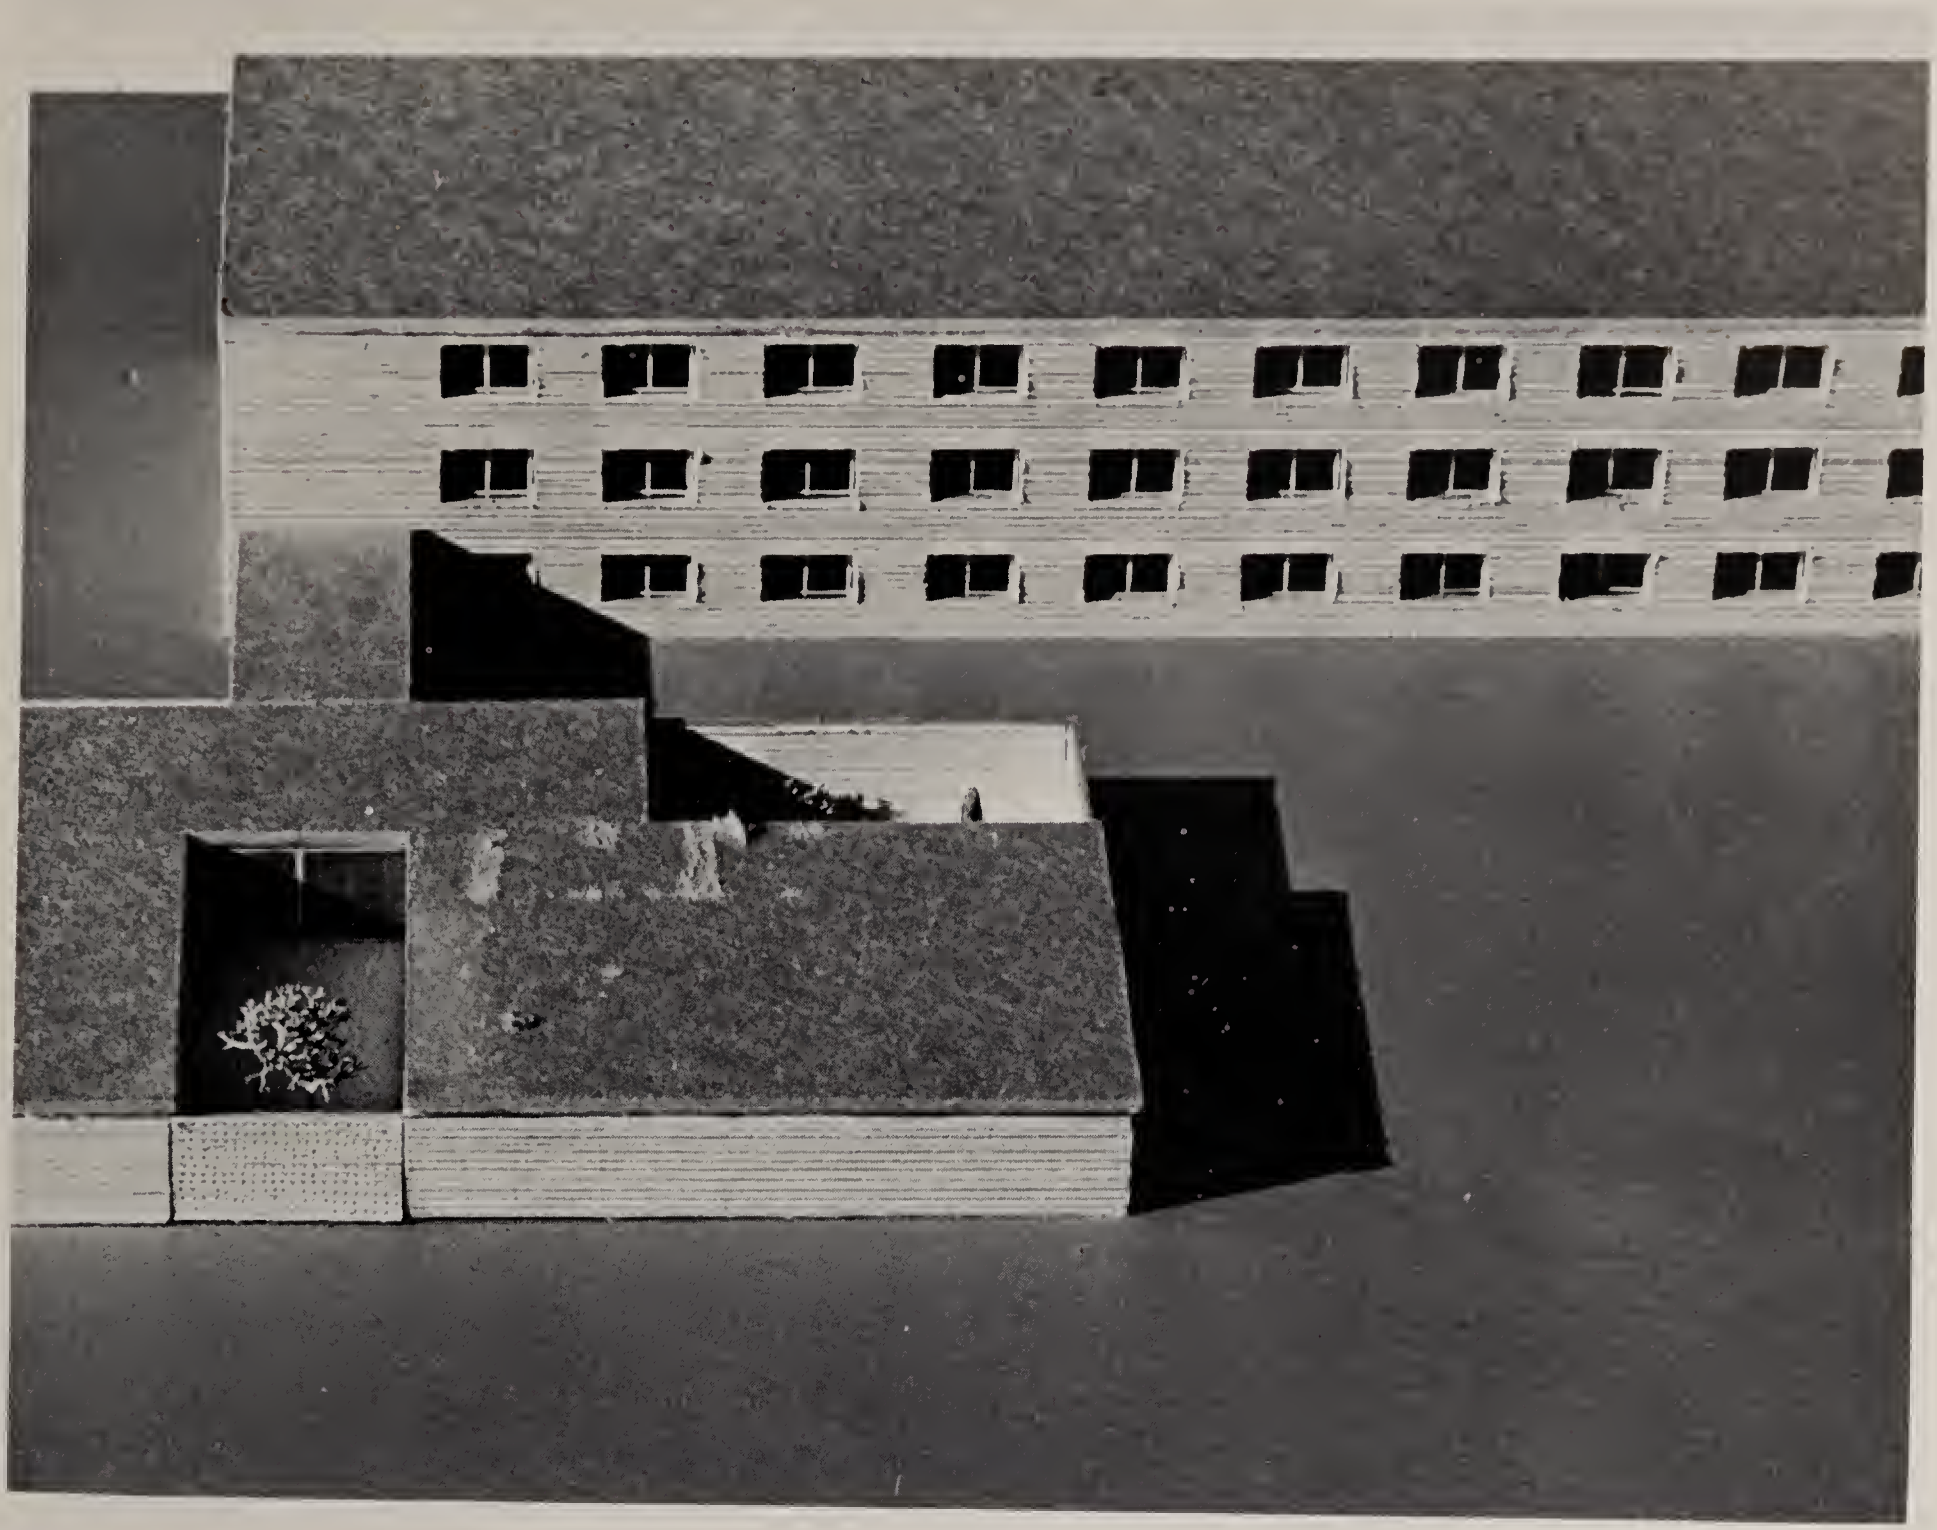
A rolling wheel somewhere, somehow, has to have a starting point. Its movement bears direct relation to the initial starting efforts.

A college can progress only in relation to the initial efforts of its founding forefathers. Yesterday supplies the traditions, modes, and principles to use as standards in building for tomorrow.

We sometimes tend to look to yesterday with contempt and ridicule because of its comparative insignificance to today. But yet today's status could never have been attained without yesterday's humble struggles for simple perfection.

The Administration Building

# Today emphasizes our progress,



Proposed scale model for the women's dormitory

We are in the midst of a great transfiguration. We are replacing the old and building the new.

To build a "Rome" takes more than just a day. It takes the consistent, hard, concentrated efforts of a solid core of concerned college supporters over a period of years.

We can look at our men's dormitory, the building plans for the new women's dormitory, the newly acquired 38 acres of land, our growing sport's program, and our newly instituted night school as prime examples of our progress. We must use these accomplishments as inspiration to extend our weary hands of resourcefulness a little further and at the same time possess a deep dedication to the task at hand.

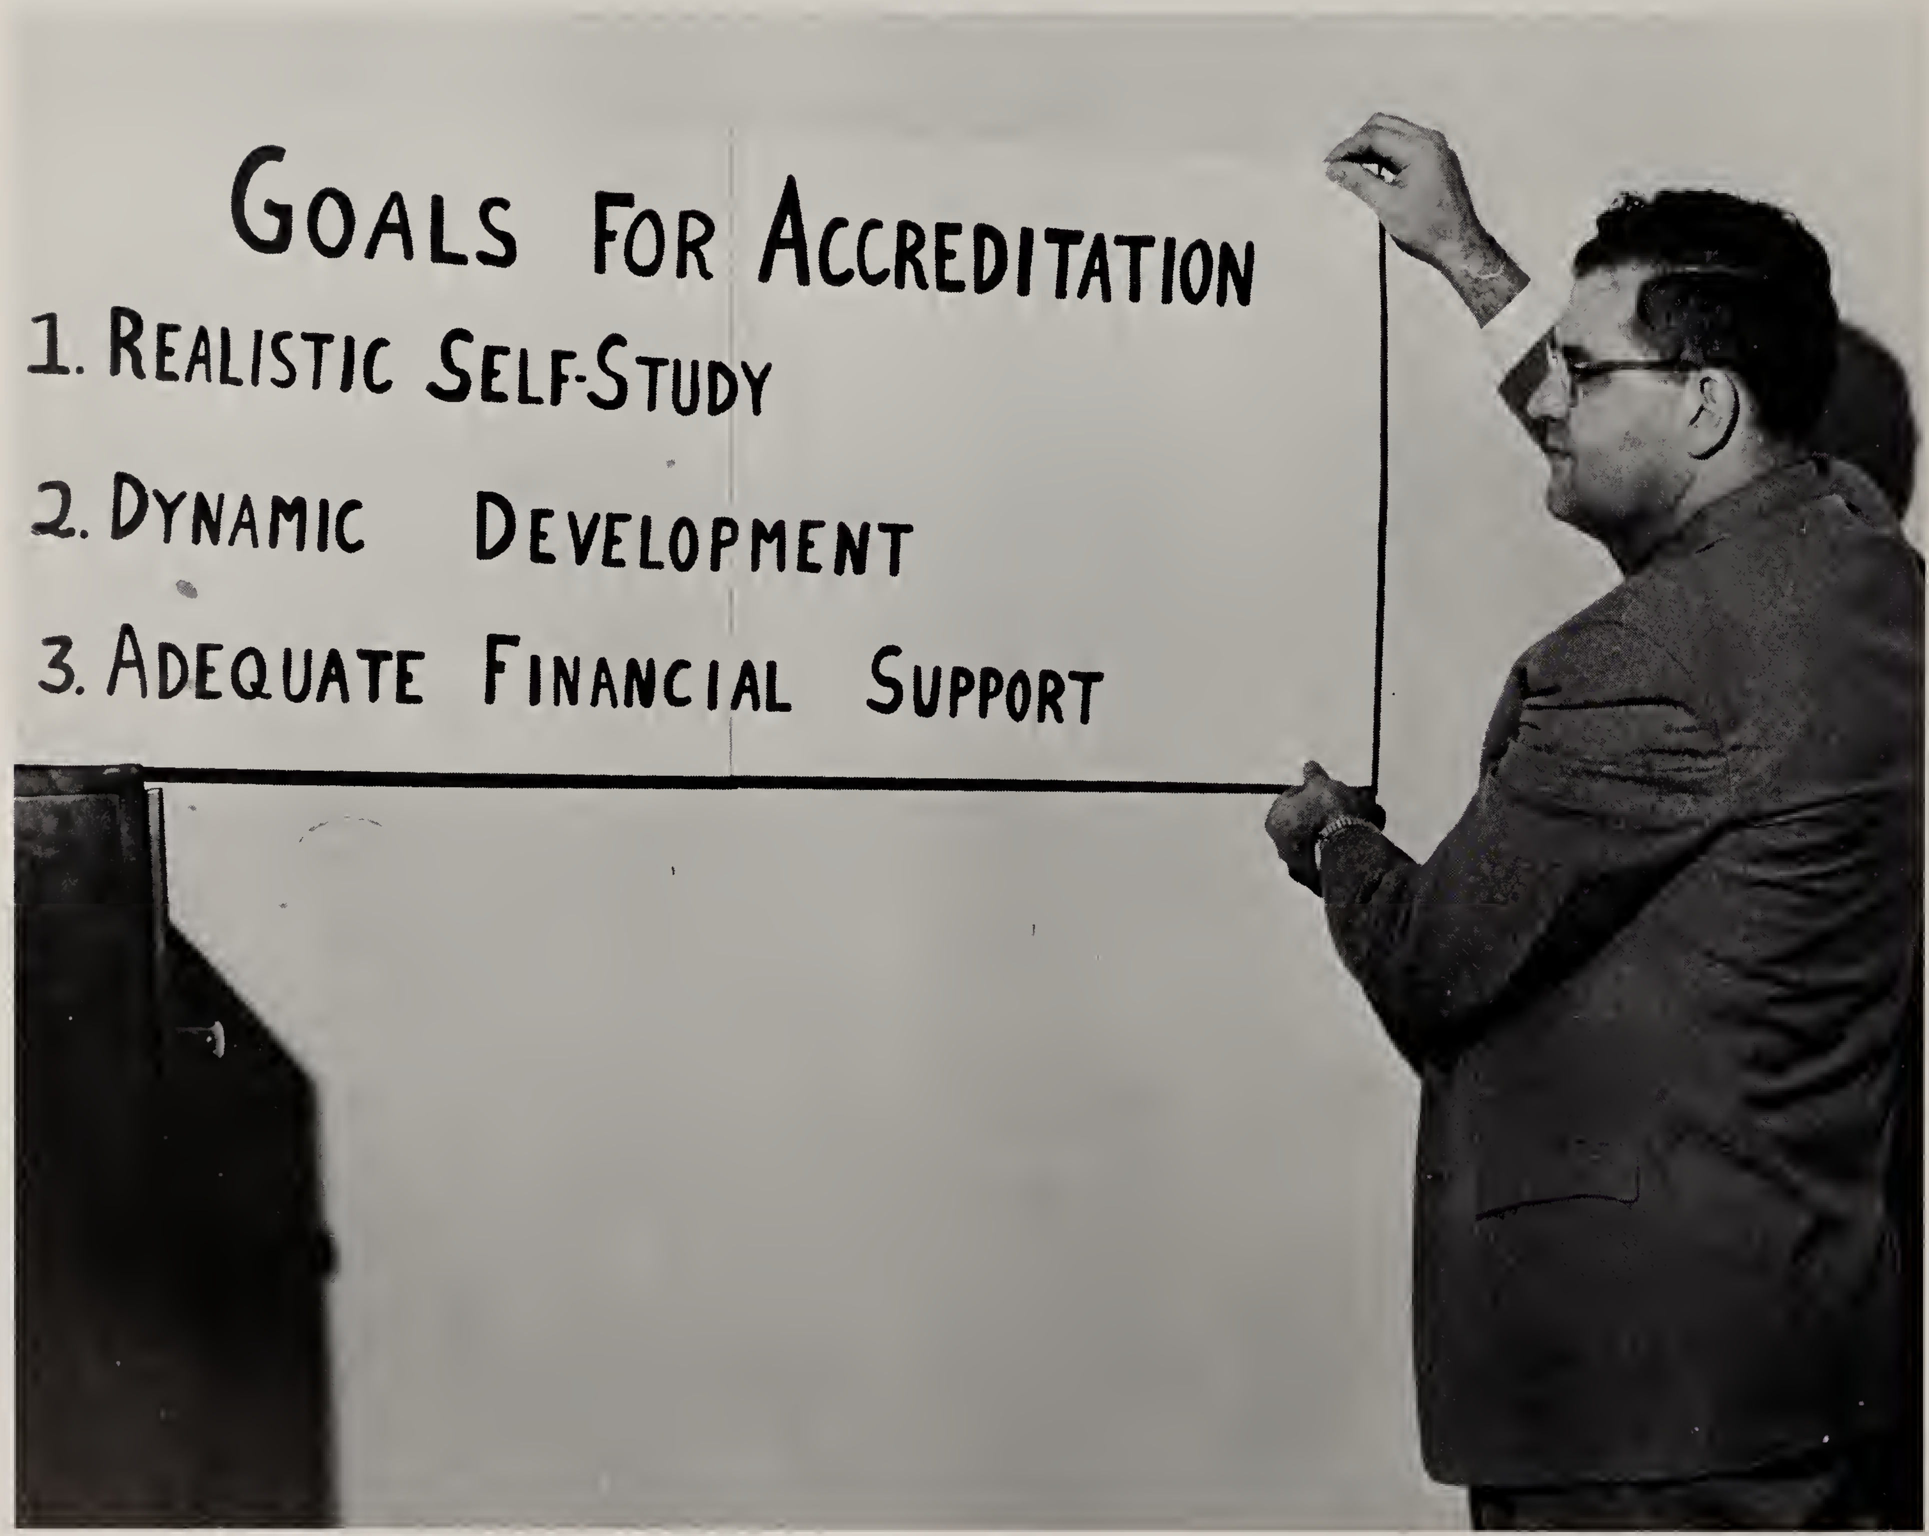
# Tomorrow looms as a new and brighter day

Tomorrow is a sinister shadow, always in view but always out of immediate grasp. We can view tomorrow's reflections in today's awesome mirror of life, but yet they will remain only reflections until its glittering image is reproduced on a solid foundation.

The Marion College inflections center around accreditation, growth, and development of Christian Spirit. Tomorrow is the promise of our divine Master. He willfully supplies the key for tomorrow.

Only as we utilize this key, are we able to completely emerge from the sinister shadow and place a sturdy hand on our long awaited goals.

Goals for Accreditation



GOALS FOR ACCREDITATION
1. REALISTIC SELF-STUDY
2. DYNAMIC DEVELOPMENT

# FOREWORD

There comes a time in every man's education when he must endeavor to accomplish a task that lies before him. The 1962 MARIONETTE Staff has undertaken the responsibility to display the treasured moments of the Marion College school year.

Lingering in the atmosphere of the school year, we seem to grasp the significance of Marion's mobilization with a purpose — a purpose directed toward attainment of our goals of accreditation and growth. The means of accomplishing this purpose center around education and Christian spirit.

We are binding a book of college memories but we likewise hope that we are recording the achievements and ambitions of our beloved Alma Mater.

# Dedication

Sensitively responsive to the dreams and the aims of others . . .

She practices the companionship of silence and the magic of words . . .

That her speech may build and not destroy, help and not hinder . . .

Her life reflects in silence and in spoken word the master whom she serves.

With much appreciation we wish to dedicate this year book of 1962
to one whose life is dedicated - - -

# Each Day Is a Noble Adventure, Every Hou

*"In thy presence is fulness of joy; at thy right hand there are pleasures forevermore."*

*Psalms 16:11*

The heart and spirit of a college is expressed in the terms of student life. A student cannot live upon the bread of knowledge alone. He must also drink from the fountain of life and love.

The laughter and joy of student life shall ring in our ears in tomorrow's golden days. With each whisper of tone that rings, we shall recall the heights we attained and the pitfalls we surpassed. Without student life there is no reason or purpose for Marion College to grow. A college grows only as student life grows with it. The Marion College student life has such a booster charge!

With an air of dignity supplied by visiting college representatives, Dr. Woodrow I. Goodman was officially inaugurated as Marion College President at College Wesleyan Methodist Church, October 14.

Rev. Garl Beaver presented Dr. Goodman to Dr. H. K. Sheets, General Supt. of the Wesleyan Methodist Denomination, who gave the charge. Dr. George Failing offered the prayer of consecration.

Opening greetings were extended by Prof. James Elliott, representing the faculty; student council president Gary Moore, representing the student body; Miss Mildred Jacobs, representing the alumni; Mayor Jack Edwards, representing the city; and Dr. Blair Helman, representing the colleges of Indiana.

President Goodman gave a sterling inaugural address, extending a challenge for tomorrow and insight into our progress.

The annual chicken barbecue kicked off the afternoon activities. Shortly after, the annual Homecoming Parade added an air of colorful excitement as they moved up Washington Street toward the football field.

At the football field, the high flying Amphic squad clubbed a luckless Eurekan squad, 22—0, before a huge, overflowing crowd.

During halftime Linda Dyer was crowned Miss Marion College of 1962. In her royal court were Miss Martha Jett, Miss Carol Carris, Miss Karen Williams, and Miss Mary Wierman.

The SMA float was named the prize winning float. Second and third prizes were awarded to the Anselm Forum and Marionette staff.

To climax the day's activities, the alumni sponsored a Homecoming banquet in the gymnasium.

The first time a new woman student steps on the Marion College Campus, she comes in contact with one of the functions of the CCC. The "Big Sis" program provides a personal orientation to college life by the CCC veterans. The CCC also sponsors all school seasonal banquets throughout the year. Slumber parties and projects also round out the busy activity schedule of the club.

# Around the World

On cloud nine

Let's eat

A soft, easy atmosphere with the definite evergreen touch was provided in Tester Hall for the 1961 Christmas Banquet. Various art students "Decked the Halls" with stunning chalk drawings portraying a Christmas setting. "Christmas Around the World" was the theme chosen. It involved the presentation of a Christmas play depicting the Christmas customs of various countries.

A delicious steak dinner "with all the trimmings," the special holiday songs, and the general gaiety of the students proved it "the season to be jolly."

Hope you're ready!

# Beholding the birth of the Savior

Diligent practice makes top performance.

Handel's "Messiah" was presented for the 26th consecutive year by the Marion Community Chorus under the direction of Prof. Herman Baker in the College Church, December 10.

Soloists for the presentation were: soprano, Mrs. Rebecca Speaks, Marion, Indiana; Miss LaVonne Clifford, Akron, Ohio; tenor, Mr. Charles Kenworthy, Fountain City, Indiana; baritone, Mr. Glenn Porterfield, Westfield, Indiana. Accompanists were: Mr. Ray Welch, organist from Marion, Indiana; pianist, Miss Carolyn Shoemaker, Bryant, Indiana.

This impressive presentation of the miraculous birth of Christ provided guiding inspiration for the overflowing crowd. Truly, Christ was born not only in the manger but in the hearts of men.

## FRIENDSHIP

## LANE

V-e-r-y interesting

Friendship Lane

"Love makes the world go round" and the CCC gave it a chance to spin. February 9 at the school Valentine Banquet in Teter Hall.

The official theme of the banquet was "Friendship Lane" but it could also have carried a fitting title of "The Cupid Caper." The coy little character was caught firing his little arrows in various directions in the romantic atmosphere and setting of the banquet.

The valentine play illustrated the "how," "whys" and "whens" of the journey along "Friendship Lane."

The magic of lasting love and friendship was portrayed from the splendor years of youth to the time one becomes "young at heart."

The banquet provided a well balanced diet of food, love, entertainment, and gaiety that caused us to grow mentally rather than reduce physically.

While Berlin loomed as a stern blockade to world peace and Red China knocked on the door of the United Nations, Marion College students heard and believed in the heavenly answer to world problems — our Lord Jesus Christ.

Rev. C. Wesley Lovin, the fall evangelist and Dr. George Failing, the Youth Week speaker, and Rev. Kenneth Geiger, spring evangelist, spoke with a frank, probling manner that reached the hearts and souls of many Marion College students.

They portrayed the basic foundation for the kingdom of Heaven — a foundation built not of rock or granite but of love and sacrifice. For this they will be remembered in the memories and prayers of the Marion College student body.

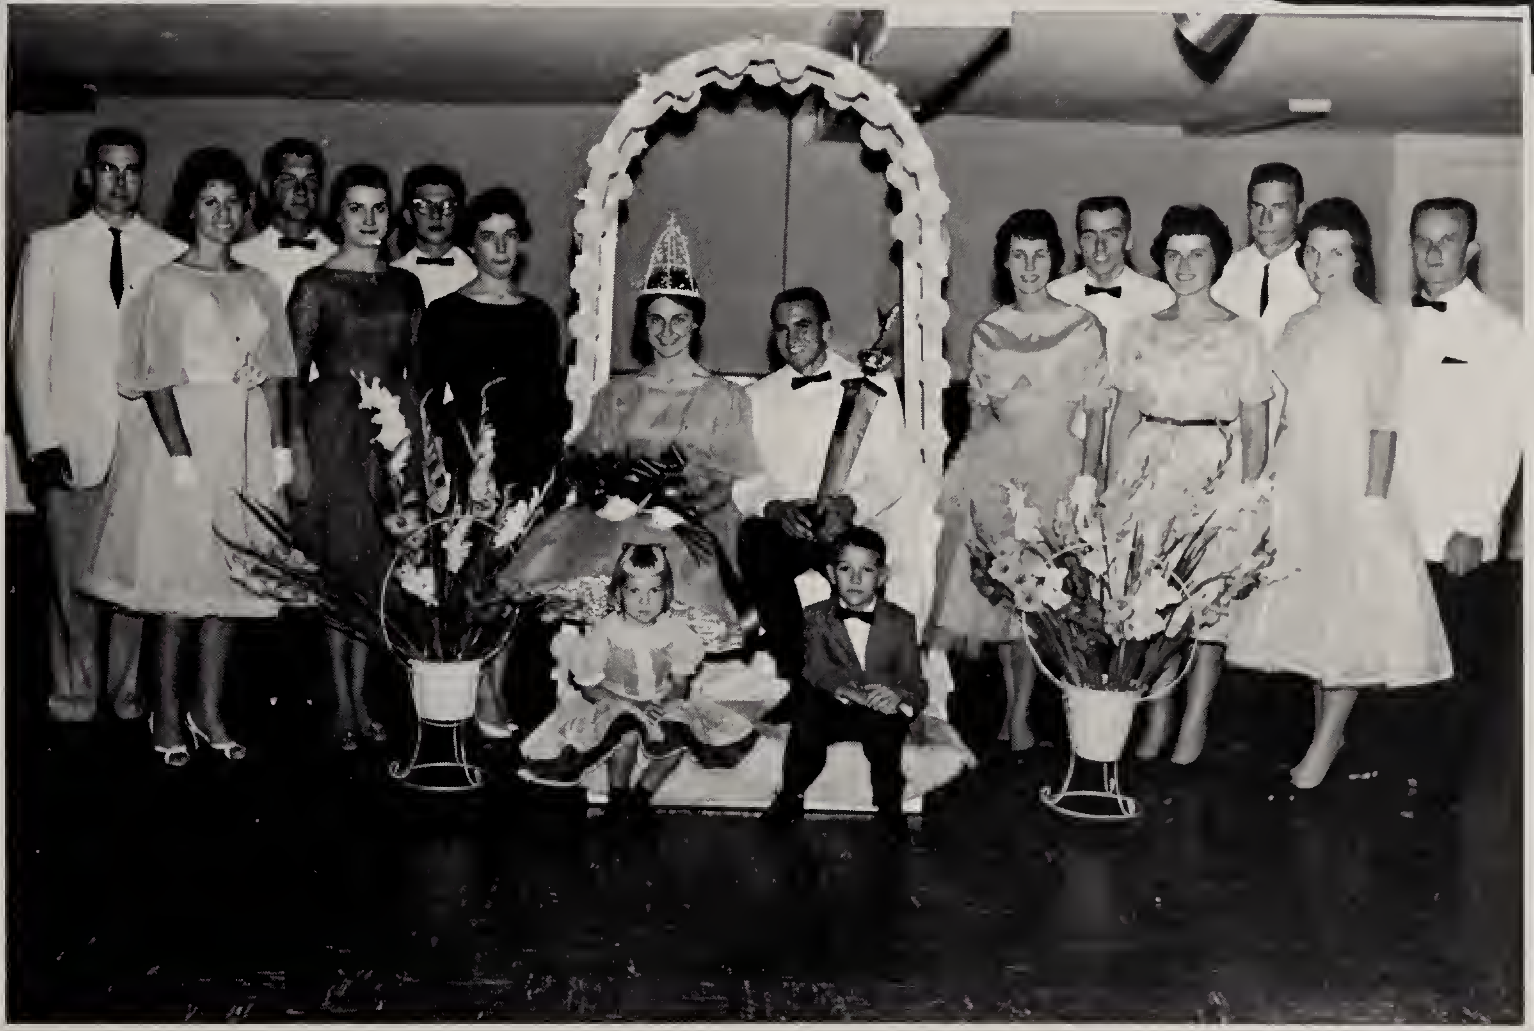
MISS JUDY HAYNES



Miss Judy Haynes reigned as the first Marionette Queen in Marion College history. The contest, based upon the sale of Marionettes, marked another milestone in the progress of Marion College.

"CORONATION IN PARADISE GARDEN" was portrayed in dramatic fashion by master of ceremonies, Bill Tice. The festivities pointed toward the ultimate climax—the crowning of Miss Marionette of 1962 by Marionette Assistant Editor, Tom Poling. In the graceful, majestic manner befitting a true queen, Miss Haynes ascended the Royal Throne.

Miss Bonnie Ireland and Miss Vonnie Clifford were named Princesses in the Royal Court. The other members were Miss Mary Ann Hiatt, Miss Beverly Clark, Miss were James Huffman, Sue Amspaugh, and Bonnie Ireland.

Gift awards were awarded to the top salesmen of the contest. Top place salesmen were James Huffman, Sue Amspaugh, and Bonnie Ireland.

With a Touch of Tradition,

An Image of Tomorrow is

With a Stroke of Progress,

*"I will instruct thee and teach thee in the way which thou shalt go."*
*Psalms 32:8*

The path ahead can sometimes look dark and dim. We may have the capacity to reach our goal, but we need knowledge and insight to reach tomorrow's destiny.

The Administration is the Agency that plants the seed of knowledge and liberates the insight buried within our being.

Tomorrow does loom as a new and brighter day. We are led into this brighter tomorrow by an Administration that uses tradition as the springboard for progress.

# Formed by the ADMINISTRATION

# The voice of the students

Gary Moore, Student Council President

The purposes of the student council can best be stated in the words of the preamble to the constitution of the student governing body . . . "We, the students of Marion College, for the purpose of securing a closer relationship and for a better understanding between faculty and students, and for the purpose of assisting in the supervision of student activities . . ."

Throughout this past year of challenge and opportunity, with a thought of progress and a vision of tomorrow, the council has sought to act in unison as representatives of the student body in all matters.

As a crystallizing agent and soundboard for student opinion, the council has presented the most representative phases of such to the faculty. In so doing, the council utilized the power granted it constitutionally for the furtherance of student welfare.

The 1961-62 student council has enjoyed and is thankful for the privileges and opportunities afforded it in assisting and working with, as well as having the fullest co-operation and backing of the community, alumni, administration, and local board of trustees.

# reflection of student life

Rush ... Rush ... Rush ... those headlines, deadlines, by-lines, etc. The Journal faithfully presents Marion College in print bi-weekly. Its goal of publishing the news and presenting the advancements of Marion College has been successfully achieved. The staff is also kept busy informing the students through press conferences. These conferences are held between the staff members of the Journal and various campus and city organizations. They strive to present questions from the student body for discussion and possible solutions.

Maurice Andrea, business manager, and Martha Jett, circulation manager, diligently perform their duties.

# We grew through club experience

## Spanish Club

Prof. J. Elliott, sponsor; C. Stout, M. Way, 1 v. pres.; L. Littlefield, pres.; J. Graham, sec.; C. Welch, 2 v. pres.; T. Flook, S. Corliss.

The lands South of the Border beckon the interest of Spanish Club members. Prof. James Elliott authoritatively instructs studies of the life and habits of Spanish-speaking people, as he spent many years with the people of South America prior to his professorship here. Any student who has completed at least one year of Spanish may become a member.

## Parnassus Club

L. Littlefield, M. Hicks, pres.; Dr. Dodd, sponsor; B. Farra, sec.-treas.; N. Stout, v. pres.

Juniors and seniors with majors and minors in English are eligible for membership in the Parnassus Club. Through the keen inspiration of Dr. Mary C. Dodd, the club endeavors to promote interest in contemporary literature by sponsoring four contests: Poetry, Short Story, Essay, and Editorial. They also provide inspiring chapel programs and hold interesting club meetings.

## Physical Science Club

The Physical Science Club promotes interest in physics, math, and chemistry. This group helps to give the students a broader insight into many phases which the classroom cannot cover and to secure a variety of special speakers which better the understanding in the field of physical science. This club inspires the development of interest and study in each chosen field.

# Studying nature's composition from Acorn to Zoology

## Bio Club

Nature in its fullest splendor has a beauty far greater than any man-made force. The purpose of the Bio Club is to acquaint the student body with the importance of the conservation of nature and wildlife.

This purpose is partially fulfilled with the club's sponsorship of the Audubon Screen Tour. The aspects of nature are brought to the attention and heart of the attending students.

"Ye shall be like a tree."

Members of the community as well as MC students enjoy the Audubon Screen Tours.

## Foreign Missions Fellowship

S. Fish, E. Hedrick, G. Laurence, K. Roth. P. Mowat, V. Good, S. Ampsbaugh, P. Markwith, B. Young.

The FMF meets every Friday to pray for and study the work of missions. Returned missionaries have inspired and encouraged this group in their deep concern for the foreign fields of service.

# can do" in our college life.

An inspirational hour of prayer and praise is held every Thursday evening when students gather together to worship and honor the Lord. Under student leadership, the Conference is aiding in the increased spirituality of the Marion College student body.

## Student Conference

Officers Ken, Dave, and Ruth consult sponsor, Prof. Davidson about the annual missionary project.

As the spiritual axis of MC life, the Student Conference strives to develop Christian stability and leadership.

# Student Conference in action — spreading cheer

Art Forum brings good cheer to people at the old folks' home.

"It is more blessed to give . . ." is the primary objective of the Student Conference activities. Students, every Sunday, experience the joy of giving of their time and talent in the jail and old folks' home services. Also they sponsor the Fast and Prayer Service, a factory service, and children's services.

The cheer spread by the Student Conference is of the students, by the students and for their fellow man. As long as the message is proclaimed, the spirit of the living God shall not die.

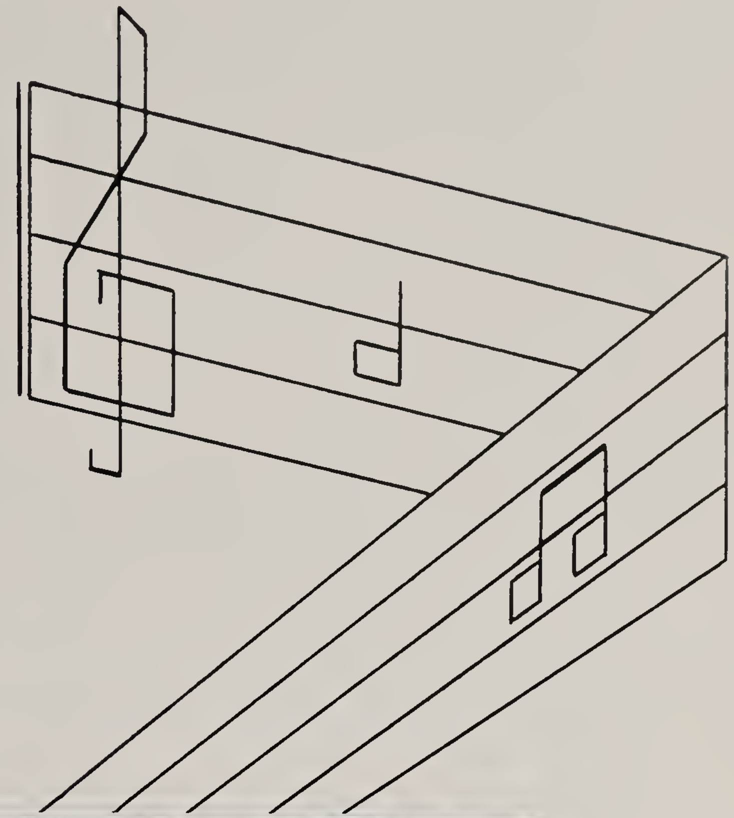
# Gospel teams served as student disciples

D. Reese, D. Newell, D. Blackburn, D. Kenworthy



Marion College is represented in song by the vocal efforts of four gospel teams. These Christian young people carry the message forth to the churches and assemblies of our area. They add a glitter of heavenly accomplishment for both the school and the kingdom of God. Truly they are a definite part of the great commission.

Marion College is represented from the dairylands of Wisconsin to sunny beaches of Florida by our vocal ambassadors, the varsity quartet. With each note and song, the life and spirit of Marion College is proclaimed. Never have so few given so much to enrich the heavenly aspirations of so many.

No matter how far away they travel, no matter how long they are gone, each minute is in the divine service of our Master. Their treasure lies in service and sacrifice and it is for this supreme dedication that the students of Marion College respect the 1962 varsity quartet.

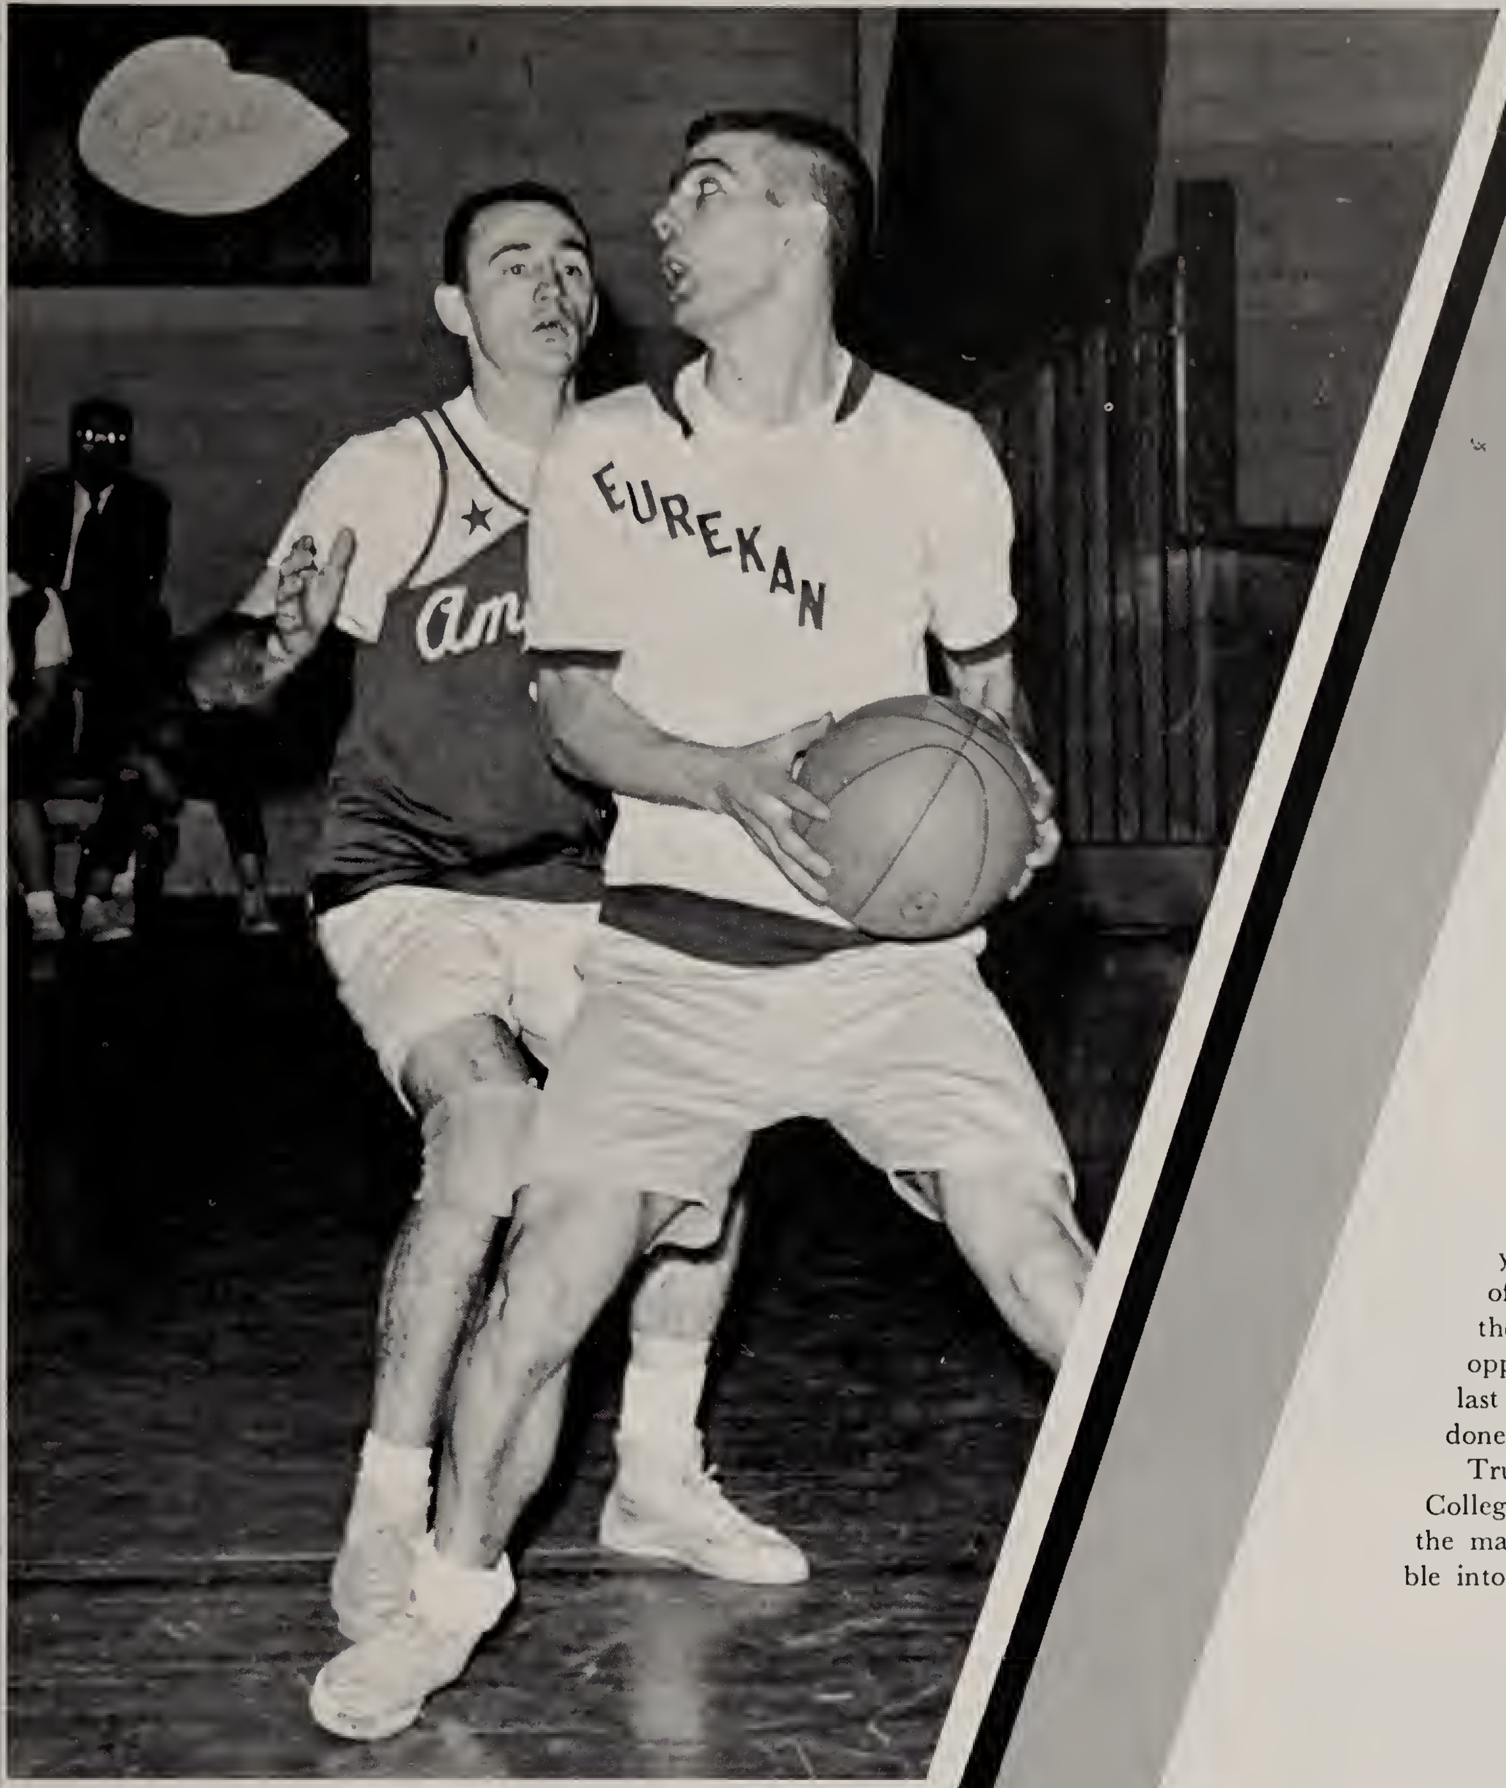
"He" Counts Not Whether We Won or Lost, bu



*"I have fought a good fight, I have finished my course, I have kept the faith."*

*II. Tim. 4:7*

Buried somewhere between the headaches of academic life and the hilarity of social life, we find this delightful creature called an athlete.

An athlete is virtue with a basketball in one hand and a glass of milk in the other, honor with a smug smile on his face, and the hope of victory with sweat on his jersey.

Home fans love him, referees tolerate him, and opposing fans ignore him. But yet it's worth it all when he hears the roar of the crowd, the slapping of leather against the hardwood floor, and most of all when an opposing player puts forth his hand after the last hurrah has sounded and says, "Well done."

Truly one can say "Well done" to the Marion College athletes. Spirit and sportsmanship were the master elements in shaping the athletic bubble into one of witness as well as winning.

Coach Mills examines new football equipment

This year, Mr. Paul Mills, a graduate of Houghton College, served as the first full time physical education and athletic director. An athlete of extraordinary ability, he instituted many changes in the athletic department this past year. New football equipment was an immediate change. Later came the selection of a Varsity team and an organized class round robin basketball tourney.

All these changes were part of his athletic organization which points towards inter-collegiate sports, an action long-awaited by Marion College sport's fans.

SEATED: Prof. Shigley, Eurekan sponsor; Betty Mollett, Ron Smith, Eurekans; Pat Peterson, Amphic; Prof. Reed, Amphic sponsor. STANDING: Gale Graf, Amphic; Chuck Kenworthy, Eurekan president; Tom Medders, Amphic president.

The Euphic Council serves as a liaison between the Eurekans and Amphics. Cosponsored by Dr. E. H. Shigley and Prof. John J. Reed, the Council seeks to promote cooperation and a friendly spirit between our two athletic societies of Marion College.

## M Club

Practice Pays Dividends! This group of Marion College varsity letter-holders, ably sponsored by Coach Mills, sets as its main goals Christian sportsmanship and athletic excellence. To become a member of the M Club, one must have earned an MC letter for athletic achievement.

When one sees "red" on the MC campus, one sees the Amphic society. Under the able leadership of President Tom Medders and sponsor, Professor John Reed, the Amphics have progressed in stride with Marion College.

Their "pot pourri" productions and rush day programs head their dramatic expansions. Their athletic team gathered their share in sports. All in all, the horn of plenty has filled for the Amphics in 1961-62.

"Let the word go forth that the torch has passed to a new generation of — 'Eurekans' . . ." The words are those of President Kennedy and the name is a society of torchbearers — the Eurekan Society.

The Eurekans, under the guidance of President Chuck Kenworthy, held the torch high in the 1961-62 school year as they gave their presentation of "A Man Called Peter," various rush day skits, and purchased society attire for its members.

# Progress was the most important product of the Eurekans

**Eurekan Football Squad**

A huge, bruising squad of Amphics powered their way to a clean sweep of the 1961 football race and managed to shut out the luckless Eurekans along the way.

In the season opener, the Amphics stabbed the Eurekans 20—0 behind touchdowns by Weaver, Anderson, and Ross.

The second game was a deadlock thriller for three quarters before the Amphics pushed over 3 touchdowns to ice a 22—0 victory. Weaver, Anderson, and Titus each tallied TD's in this contest.

For the third time, the Amphics bombed the Eurekans 25—0 on October 7. Weaver tallied two touchdowns while Titus and Ross chalked one apiece.

The Amphics closed the season door, 20—0 before a capacity homecoming crowd, Oct. 14. Thompson, Weaver, and Ross scored the decisive blows in the Amphic Triumph.

## by clubbing Alumni 6-0 on rain soaked field.

On October 28, the Alumni took the field against a strong Marion College Varsity squad.

The Varsity squad was composed of 18 players from the Amphic and Eurekan squads. They were chosen on the basis of their ability, cooperation, and interest.

The Varsity proved worthy of their status as they clubbed the Alumni 6—0 behind a 54 yard interception runback by Jerry Johnson.

Johnson grabbed the misguided pigskin in the first quarter and his marker proved to be the only tally during the contest.

Both running and passing were somewhat harnessed by the weather, which produced a steady downpour of rain for the occasion. This factor stopped drive after drive for the mud-laden squads.

It was simply each team fighting off both the weather and the opposing team as the final gun sounded.

## junior boys thump sophomores in men's division . . .

The high flying, hot shooting junior squad bombed the sophomores in the class tourney championship, 74—63. Behind the fast break duo of Kenworthy and Smith, they piled up an early lead and held it throughout the game. The sophomores trailed by only three points at the half, 33—30, but Chuck Kenworthy hit 5 field goals in the third period to break up the ball game and the sophomores.

Ronn Smith led the scoring with 26 points for the juniors while Chuck Kenworthy collected 24 points. Dave McQuiston gathered 22 and Tom Poling 21 for the sophomores.

The juniors reached the finals by thumping the seniors, 85—45, behind the superior floor play of Ronn Smith and Chuck Kenworthy. Chuck led the scoring with 26 points while Ronn tallied 19. Paul Mayhugh led the seniors in a losing cause by throwing in 17 points. In the other semi-final game the sophomores edged past the freshmen 55—54 in a thriller. Balanced scoring carried the sophomores to a 21—19 halftime lead. Then they opened up a bombardment in the second half to carry their lead to 10 points, 51—41, with only 3 minutes to go. Then a last minute flurry of buckets by the freshmen pulled them within two points as the final gun sounded. Tom Poling led all scorers with 20 points followed by Dave McQuiston with 17 points. Dan Reese led the freshmen with 13 points.

The freshman women pulled a titanic upset by sinking the junior girls, 32—24, in the championship game of the women's class tourney. Cheryl Buzzell led the freshman cause by pouring through 14 points while Bonnie Kosson added 8 points. Helen Sloan hit for 16 points to become high scorer for the juniors and the game.

In the elimination round the freshman women fought their way to a 19—16 victory behind a 12 point effort of Teena Flook. Trailing for a majority of the game, the freshmen came up fast to pull off their hard-earned victory. Betty Mollet led the sophomores with six points.

In the other elimination game the juniors defeated the seniors 40—31 behind a combined 32 point effort by Helen and Naomi Sloan. Helen hit for 18 points while Naomi ripped the nets for 14. Joyce James with 15 and Beth Farra with 10 points led the seniors in a losing cause.

Every rocket must have its booster charge. Every basketball team must have its cheerleading squad if it wants to get off the ground. The Amphic and Eurekan cheerleaders supply the booster charge to give their team this "go" power.

The green and white Eurekan Torchbearers had 4 gallons of TNT in their cheerleading squad of Joyce Dever, Betty Mollet, Agnes Turner, and Karen Williams.

The red and white Amphic Vikings "blew a hole in the gymnasium roof" behind the cheerleading effects of Carol Knotts, Cheri Russell, Donna Sergeant, Mary Wierman, and Judi Zimmerman.

From the Editor's Desk:

Words seem so inadequate to express the deep appreciation I feel to all the wonderful people who have helped to make the 1962 MARIONETTE possible.

So many people deserve well-earned credit. A hearty thank you to:

Tom, my faithful assistant who was a constant source of inspiration . . .

My loyal, steadfast staff who stood by me, through the wee hours of the morning and gave so freely of their time. . .

Don, the able photographer who sacrificed so many hours of sleep for our cause . . .

Phil Byers and the American Yearbook Company for the privilege of visiting the plant and for the good service and advice . . .

The fellows who made the last minute dashes to the post office to meet those deadlines and all those who pinch-hitted . . .

My close friends who offered words of encouragement when they were needed most . . .

And most of all do we give God praise who has supplied the strength and wisdom when the human frailties would have failed.

I pray this volume shall be a precious treasure and may these pages bring to your remembrance the wonderful times God has given us together at Marion College in the 1961-62 school year. May God's richest blessings rest upon you always and if our paths never cross again below, I shall be looking forward to seeing you around the great white throne.

Sincerely,
The Editor

We've bid farewell to the "Old Triangle" . . .

And now we face tomorrow . . .

I do not know what lies ahead.
The way I cannot see,
Yet one stands to be my guide,
He'll show the way to me.

I do not know how many days of life
Are mine to spend.
But one who knows and cares for me
Will keep me to the end.

I do not know the course ahead,
What joys and griefs are there,
But one is near who fully knows
I'll trust His loving care.

So as I face tomorrow
With its problems large or small,
I'll trust the God of miracles,
Give to Him my all.
